Dear

Meet *Wajid*, aged four, and *Laiba*, aged two. Thanks to the past generous support of yours and your friends, in USA, *Wajid* and *Laiba*, and Pakistani children like them, have benefited tremendously.

These children suffer from the blood disorder **Thalassemia, which you know** if left untreated, can lead to anemia, iron overload, bone deformities, cardiovascular illnesses, and increased risk of infections. Thalassemia weakens and destroys vital red blood cells and affects the body's ability to produce hemoglobin. Patients like *Wajid* and *Laiba* require a regimen of blood transfusions to sustain what would otherwise be a normal life.

Thanks to the open heart support form donors like you, Fatimid USA was able to sponser two big programs this year. We were able to sponser the one year treatment of 100 children and open a state-of-the-art blood transfusion center at Khairput with a grant of \$70,000.

Fatimid Foundation is the largest provider of hematological services in Pakistan with centers in Karachi, Khairpur, Hyderabad, Tando Allahyar, Multan, Lahore, Peshawar, and Quetta. It provides a ray of hope to **more than eleven thousand children** suffering from various blood disorders. These remarkable centers transfuse over **7,500 units of healthy and screened blood products every month**, mostly free of charge. In fact, Fatimid is a second home to thousands of suffering children like *Wajid* and *Laiba*.

Due to the continued demand of these chronically ill patients, Fatimid again needs your support. You can make either a one-time donation, or an annual pledge. **For as little as \$25 per month you can sponsor-a-child in need, or you may also make a one-time annual donation of just \$300.** On completing the enclosed sponsorship card for the child or children you wish to sponsor, Fatimid will assign one pateint to you. We will ttry our best to keep you uptodate with the progress of the child..

Before the end-of-the-year, would you please consider being a ray of hope to *Wajid* and *Laiba* and children like them? FatimidUSA is registered not-for-profit corporation in the United States with a 501 © 3 status. providing a myriad of advocacy, educational, and other services.

Your continued patronage, kind support, and generosity will go a long way to improve the health and longevity of these children and eliminate their suffering.

May Allah, who is the Most Merciful and the Most Compassionate, bless and keep you and your family.
